

PROGRAM MANAGER

San Joaquin Valley Air Pollution Control District

\$10,205.06 - \$12,406.66/mo.

The District is currently conducting a recruitment to fill a vacancy in the Policy & Government Affairs departments, located in the Fresno office.

This recruitment may also be used to fill future Program Manager vacancies. The Manager position will play a lead role in promoting and continuing to develop the STAR work culture throughout the District. The incumbent is responsible for accomplishing established District and departmental goals and objectives, for providing expert professional assistance to executive staff, and for managing the work of professional, technical and support staff members. The candidate will have a unique combination of technical and management skills, including: knowledge in applicable state and federal laws, rules, and regulations; the ability to respond to inquiries from and represents the District at meetings with governmental officials, consultants, business leaders, and the public related to air quality issues; proven leadership, teambuilding ability, knowledge of air quality planning principles; skill in mentoring staff; develop goals and objectives for the division; a customer service philosophy which ensures excellent assistance to the public and the community; organizational skills; strong computer skills; attention to detail; will establish and maintain effective working relationships with those contacted in the course of work; and the ability to exercise independent judgment.

B.A. Degree from a four year college or university with major coursework in mathematics, physics, chemistry, engineering, environmental science, business, public health, or a closely related field AND four (4) years of professional level air quality experience in the area of enforcement, planning, engineering, community-facing public health research, or technical services, community engagement/outreach, two years of which must be at the lead level or above. Experience may be substituted for the education on a year for year basis.

When applicable, a valid California Driver's License or the ability to obtain one upon hire.

Interested individuals must apply no later than 5:30 p.m. on Friday, April 18, 2025. Applications must be submitted on our website at www.valleyair.org.
